

Louisiana College

LAC Portal Login Information

Step 1: Connect your device to the "LCWiFi" wireless network.

Step 2: Open any internet browser.

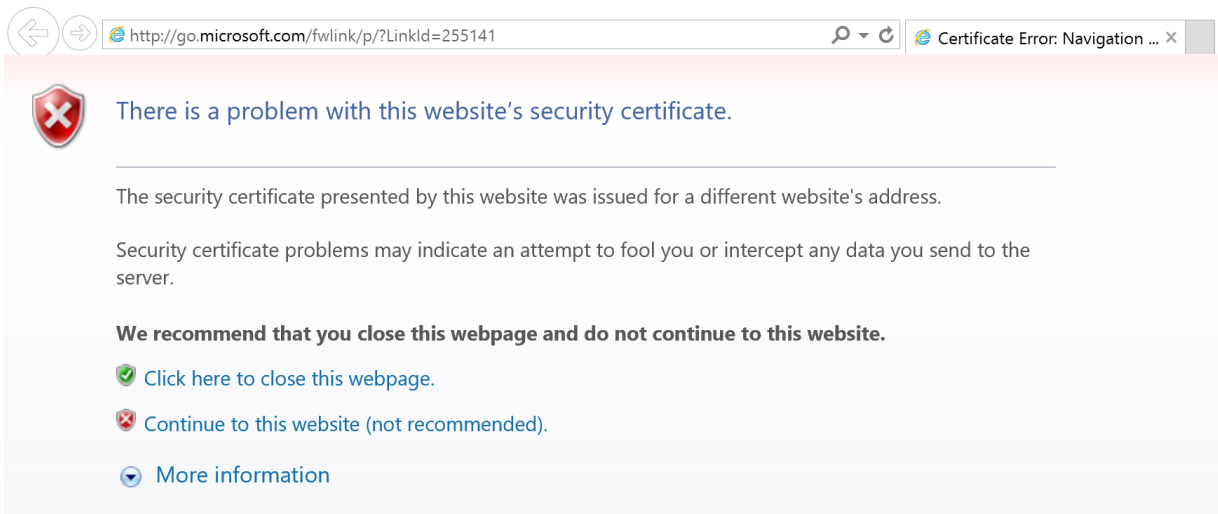

Step 3: Clear out the address bar at the top and type in "login.lacollege.edu" or "nac.lacollege.edu."

Step 4: Hit "Enter". There may be an error message that comes across your screen. Below are detailed steps to get past said screen with different browsers. If there is no error message, skip to Step 5.

Internet Explorer

When using Internet Explorer, you may have a screen appear that is similar to the image found below. If you do, click on the "Continue to this website (not recommended)," option.

Microsoft Edge

When using Microsoft Edge, you may have a screen appear that is similar to the image found below. If you do, click on the

Google Chrome

When using Google Chrome, you may have a screen appear that is similar to the image found below. If you do, click on the “Advanced” option, at which point a drop down menu will appear similar to what is found in the second picture. Click on the “Proceed to nac.lacollege.edu (unsafe)” link.

Your connection is not private

Attackers might be trying to steal your information from **nac.lacollege.edu** (for example, passwords, messages, or credit cards). [Learn more](#)

HIDE ADVANCED

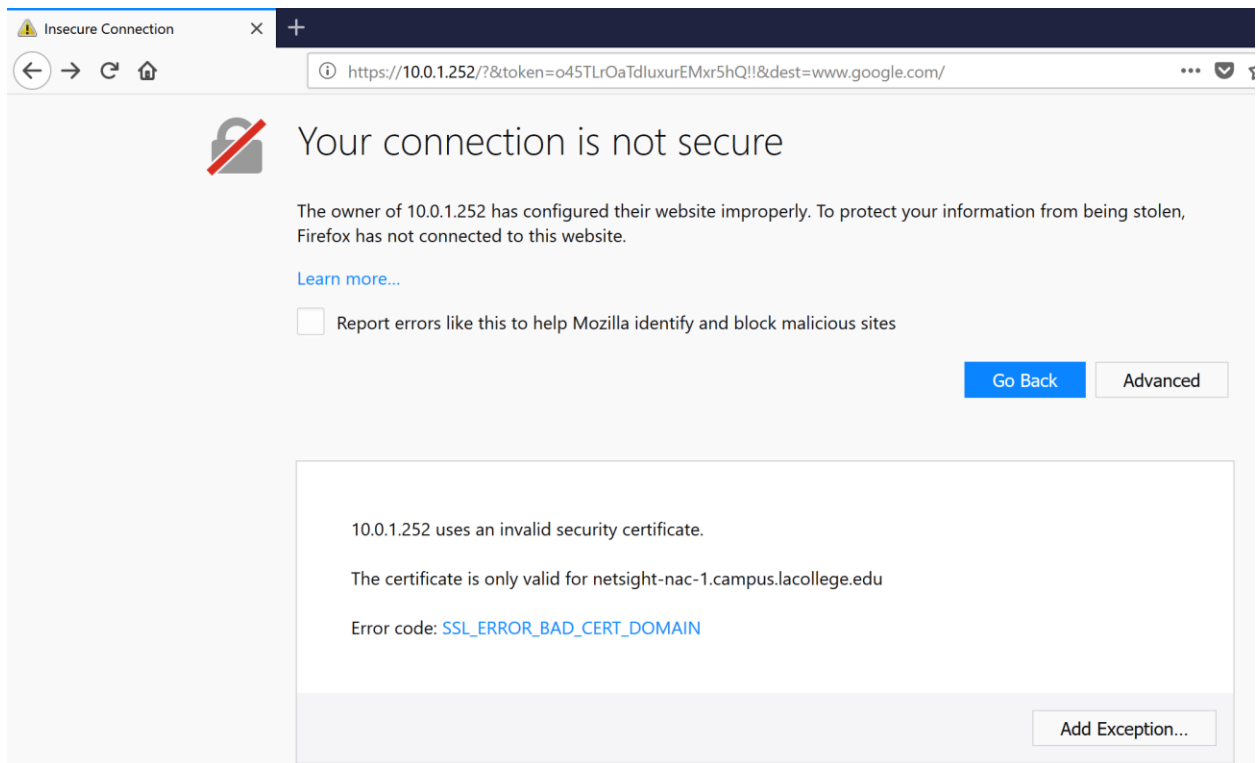

Back to safety

This server could not prove that it is **nac.lacollege.edu**; its security certificate is from **netsight-nac-1.campus.lacollege.edu**. This may be caused by a misconfiguration or an attacker intercepting your connection.

[Proceed to nac.lacollege.edu \(unsafe\)](#)

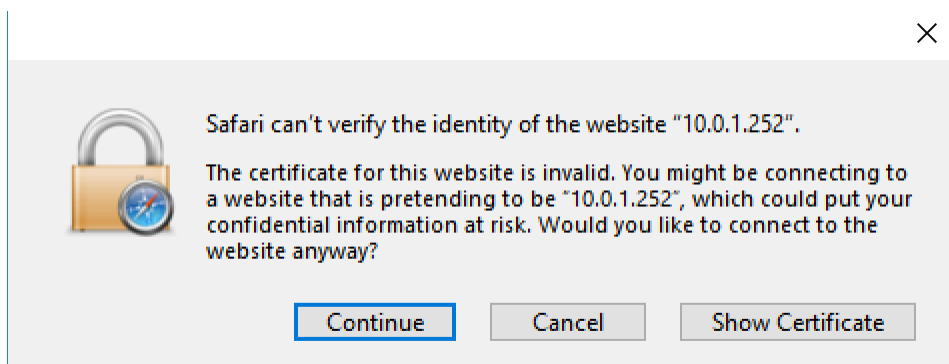

Firefox

When using Firefox, you may have a screen appear that is similar to the image found below. If you do, click on the “Add Exception...” button.

Safari

When using Safari, you may have a screen appear that is similar to the image found below. If you do, click on the “Continue” button.

****NOTE:** If you are using a Mac and Safari, there might be a popup asking you if you want to add a security exception. Do so in order to continue.

Step 5: After making it past the earlier error screens, you should see a screen that looks like the picture below. Click the link and proceed to Step 6.

Welcome to the network.

[Please click here to connect to the network.](#)

Step 6: The screen should now appear similar to the picture below. Enter your login information into the login section on the left side of the screen under the section labeled “Network Login”. Use the login information that was given to you when you became a student. (This is not the same information that you use to sign into your portal account at MY LC.)

****NOTE:** If you are a student, faculty, or staff member, **DO NOT** use “Guest Registration”. Guest Registration is for guests **ONLY**.

Welcome to the Enterprise Registration Center

Your device is not currently registered to the network.

Please use your network credentials or register as a guest if you do not have network credentials.

If you are a student or employee and you do not have an assigned network user id or password please contact the IT Dept. at (318) 487-7200.

Guests must use the guest registration process.

<p>Network Login If you have been issued an Active Directory account for this network, please login with it below.</p> <p>*User Name: <input type="text" value="firstname.lastname"/></p> <p>*Password: <input type="password" value="*****"/></p> <p>Login</p>	<p>Register as a Guest. If prompted for a sponsor email address please put itdept@lacollege.edu as your sponsor email address.</p> <p>If you have not been issued credentials for this network, please register your device.</p> <p>Register</p>
